

Technical Data Sheet: ZSP6080L

Single Sided PET Tape

ZSP6080L is a single sided tape with a clear PET backing coated with rubber based adhesive and constructed with release liner.

Characteristics

- Excellent high temperature resistance
- Good adhesion

Applications

- Suitable to be used as protection on substrate with low surface energy (LSE) eg. PP and PE material

Properties

Properties	ZSP6080L	Standard
Tape Thickness (μm)	80	ASTM D1000
Peel Adhesion (kgf/25mm)	1.5	ASTM D3330
Holding Power (1kg, 25mm x 25mm) (Hr)	> 24	ASTM D1000
Temperature Resistance (°C)	80	-
